To Whom It May Concern:

DAV (Disabled American Veterans), a congressionally-charted 501(c)(4) charity, has contracted Dan Bronfeld to produce a long-format public service announcement on the subject of veteran homelessness and post-traumatic stress disorder.

This non-commercial project requires filming in Los Angeles. The message will benefit veterans by increasing public awareness about the challenges they face and making them aware of the services DAV offers at no cost to them that can help prevent or eliminate homelessness for veterans in Los Angeles and nationwide.

We appreciate your consideration of a waiver for permit fees related to this project.

Respectfully,

DANIEL J. CLARE
National Communications Director
